TJP LEGAL CONTINUED...

TJP's legal solutions provide:

- Certainty with fixed legal costs.
- An assigned and experienced legal professional you can reach out to personally.
- Reduced legal costs and expenditure.
- Consistent high-quality legal risk mitigation.
- In-depth smart legal analysis and future planning for your business

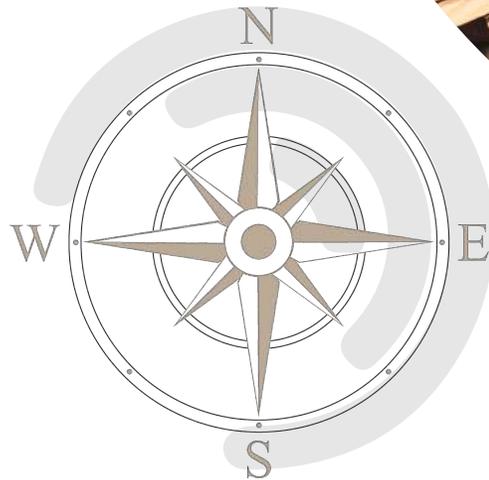

We achieve this by:

- Getting involved in your business objectives and advising you of “real-time” legal requirements.
- We offer you decades of legal experience in a variety of legal sectors without excessive expenditure.
- We make top quality legal advice accessible by doing away with the ‘traditional’ cost-heavy law firm model.

OTHER SERVICES

- **Professional Insurance expertise;** procurement through Lloyds market syndicates and integrated insurance claims management
- **Regulatory and Compliance;** including enhanced OFAC regulations and Trade Credit checks of various commercial counterparts
- **Education;** On Demand seminars in all our practice areas as well as bespoke continued professional development courses;
- **Crisis Management;** Whatever your issue, our in-house group of experts can provide bespoke solutions driven proposals to ease the burden on your organization

OUR UNIQUE APPROACH

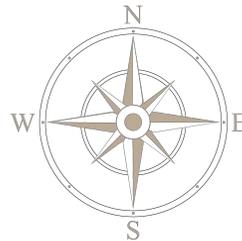

IN-HOUSE EXPERTISE

We do things differently. We have sourced specific individual experts in all of our practice areas who pool together (where appropriate) to provide a fully integrated commercial solution.

By minimizing the necessity to outsource specialist works, we provide a cost-efficient solution to businesses.

Our members are carefully vetted to ensure that the TJP Brand can continue to deliver the business excellence it has prided itself on since its inception.

Time costs money. We are aware that businesses require both cost effective and efficient solutions in a variety of concerns.

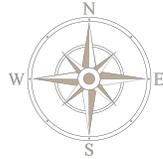

Our focus will always be on maximizing your commercial output by delivering results which effect your organization's bottom line.

Geared towards servicing the financial sectors, we have integrated technological solutions into our service platform to maximize output in a fraction of the time normally taken.

COMMERCIALY DRIVEN FOCUS
